

# Donate Your Old Eyeglasses Save 15% on your new pair

When you bring a pair of glasses you no longer wear to Optical Studio, we'll give you 15% savings on the purchase of new eyeglasses.

We are partnering with Health in Harmony to provide eyewear to Indonesians who would otherwise go without vision correction. Your glasses will be distributed by Health in Harmony in Gunung Palung, Indonesia. See [www.healthinharmony.org](http://www.healthinharmony.org) for information on this inspiring mission.
